“It is important that you provide accurate information and documents. Failing to do so will delay your processing and/or terminate your application”

1. Getting Started

Verification requires **25 Calendar Days** depending on the accuracy of the information and clarity of the documents you provide.

Before commencing your application, please read the following steps carefully:

1

You must obtain the Unique Identity Number (UIN) by registering must register on DoH User Management System (UMS) in order to successfully sign up and login on the application portal

Click Here to go to DOH UMS. For new users the UIN will be sent by email after registration, and the user can view the UIN after login and click on profile from the main menu.

2

Only a **passport copy** is accepted for identification

3

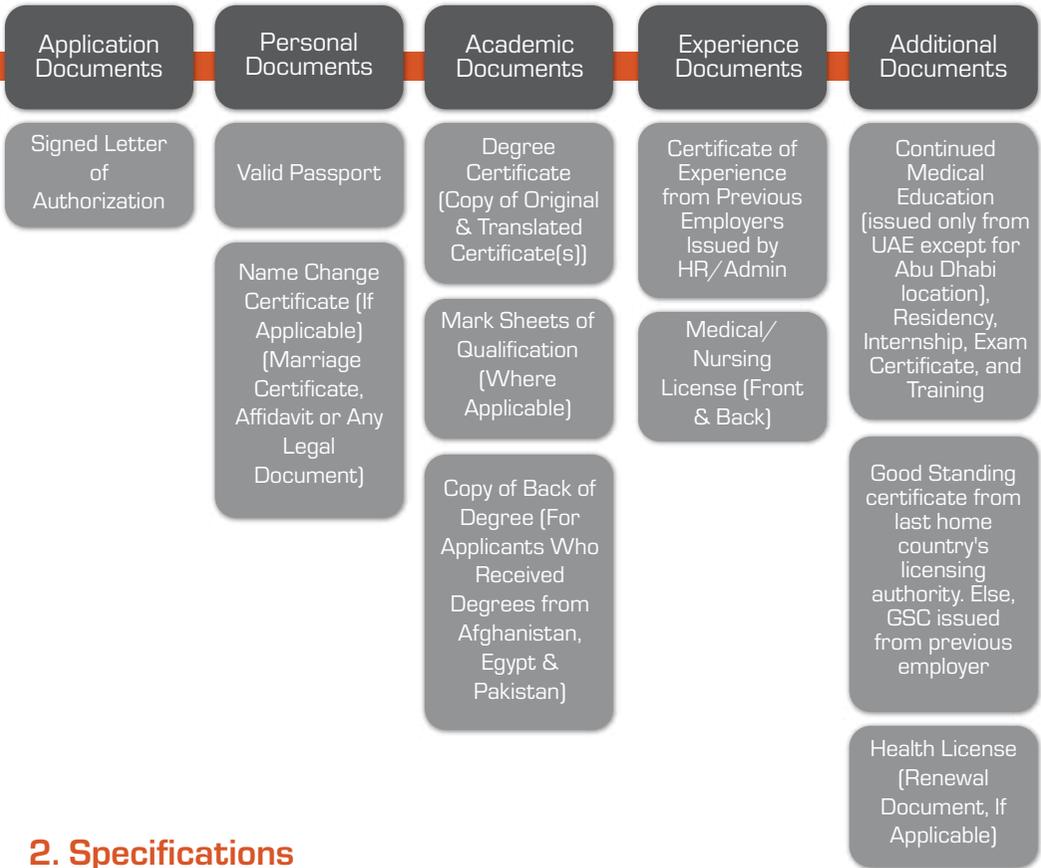

Make sure you apply for the DataFlow verification process **prior to** the evaluation phase of the DoH – Abu Dhabi registration process

4

The **accuracy of provided information** is essential to avoid any delay and/or termination of your application

5

Before you start with your application, make sure you have **clear scanned copies** of the following:
