Welcome to the Kuwait Society of Engineers

We have partnered with the DataFlow Group for the Primary Source Verification, to check your education certificates, in order to qualify and ***obtain or renew a license from Kuwait Society of Engineers***.

The process is very straightforward and comprises of three main steps:

1 Register your details   **2** Upload copies of the required document   **3** Sign an authorization letter

Once your verification has been processed you will receive your report, and another copy will be shared with the Ministry to review your license Application.

You can click **here** to register and start the process or scan the **QR** code with your phone.

IMPORTANT NOTE: Before starting your application, please review the Society's list of documents required to choose the correct PSV Package.
