Welcome to the Council for Regulating the Practice of Engineering Professions

We are working with the DataFlow Group for the Primary Source Verification of your previous Education credentials and work experience

The process is very straightforward and comprises of three main steps:

1 Register your details   **2** Upload copies of the required document   **3** Authorize verification

Once your verification has been processed you will receive your report, and another copy will be shared with the Ministry to review your license Application.

You can click **here** to register and start the process or scan the **QR** code with your phone.

IMPORTANT NOTE: Before starting your application, please review the Council's list of requirements.

Packages	Service Details	Required Documents
• **Engineer** BHD 53	Primary Source Verification Verification (PSV) of the following: 1. Education Degree/ Diploma 2. Experience Certificate 3. Cross-check against Dataflow Global Risk Management database	Clear scanned copies of: 1. Passport 2. One education degree 3. One experience certificate
• **Single Document** BHD 31	Primary Source Verification Verification (PSV) of the following: 1. One document - Education degree OR Experience Certificate 2.
