Ministry of Education

How To Apply for a Verification for the Ministry of Education, Bahrain

The DataFlow Group is a trusted primary source verification partner for the Ministry of Education

The verification application process involves three simple steps:
1 Register your details   **2** Upload copies of the required documents   **3** Submit Application

After we process your application, you will receive your DataFlow report confirming the accuracy of your credentials. We will also share a copy with the Ministry of Education

To begin the process, click **here** to register or scan the **QR** code with your mobile device.

IMPORTANT: Before starting your application, please review the Ministry of Education's list of requirements.

Packages	Service Details	Required Documents
• **Education**	Primary Source Verification Verification (PSV) of the following: 1. Authentication of the education credential presented from the issuing authority 2. Check on the accreditation of the institution of study and the course studied 3. Check on the mode of study	Clear scanned copies of: 1. Passport 2. One education degree

Note: 'Regular Service' - DataFlow Group will process and deliver a PSV Report within an <u>average of 25 working days</u>

Note: *The Issuing Authorities may seek specific additional documents and/or information required for verification. An Associate from the DataFlow Group team will be in contact for any supplementary requirements.*

A Step-By-Step Application Guide

1

Sign up at **ccp3.dfgateway.com** and verify your email and mobile number by entering the codes sent to you via email and SMS

2

Select the country and licensing authority you are applying to from the dropdown menu

3

Upload a scan of your passport, carefully review your details, and add your preferred salutation

4

Select a verification package from the available options and confirm your choice to proceed

5

Confirm any changes to your name, and upload a name change certificate if necessary

6

Provide your degree and course information, and upload the necessary documents. Also, upload any additional documents specified by the Issuing Authority

7

Review the application overview, make any necessary adjustments, and then confirm to proceed

8

Consent to the Letter of Authorization by digitally signing your name and acknowledging any necessary disclosures

9

Review the payment summary, choose your preferred payment method, enter your details, and then submit your application
